

## Volunteer

Our organization could not exist without volunteers. As a private, nonprofit organization, we rely on the assistance of caring and hard-working volunteers in all of our [programs](#). Volunteers who work directly with the animals can increase an animal's chances of adoption by providing additional human contact. Volunteers also help us inform the community of the mission of Perrito Munguia Rescue and promote responsible pet ownership. The future of Perrito Munguia Rescue lies largely with its volunteers. We are all working for the animals. Volunteers are required to be supervised at all times by a parent or guardian if under the age of 18, review and abide by our volunteer guidelines, treat animals in our care with kindness and concern for their welfare, represent themselves PMR in a professional manner. Once you submit your [application](#), we will be in touch. Thank you for your interest! Contact Information
